William R. Ross, Superintendent of Schools

For his genuine interest in the success of our class, his wise encouragement, and his whole-hearted support of all our undertakings, we are deeply grateful to our superintendent, Dr. Ross.

Board of Education

Because of their devotion to the cause of education and their interest in the young people of our community, the Board of Education has offered to all of us an opportunity for achievement and success for which we are deeply grateful. It is our hope that we may in the future justify their unwavering faith in us.

Activities

Senior Play

"The Yankee King," an entertaining comedy, was chosen for presentation by the class of '41. The plot concerns the strange dream of Pa Hinkle, a hen-pecked husband. In his dream Pa becomes the king of a European country, Laurania. The adventures of Pa and his family come fast and furiously, with hilarious and side-splitting complications.

The interesting group of characters includes Pa Hinkle, a middle-aged Yankee, played by Bob Tatum; Ma Hinkle, his wife, played by Catherine Briggs; Marian and Wilbur, the younger generation of the Hinkle household, played by Wanda Chenoweth and Buddy Franch; Wayne Douglas, a young aviator engaged to Marian, enacted by Paul Nelson; Stephen Kruger, Prime Minister of Laurania, a role played by Bob de Rouen; Oswald Mahler, Councilor, in reality Jack Duren; Melissa Destinn, the Secretary of War, enacted by Jean Cunniff; the Duchess Augusta of Schaffwig Loehoe, enacted by Peggy Weeden; Julia, the Duchess Augusta's daughter, enacted by Norma Jean Reeves; Leon and Emery, courtiers, played by Dana Orth and Leslie Sayre; Wanda, an artist's model, actually June Spahr; Page One and Page Two, two attractive girls, played by Wanda Patterson and Laurice Saliba. The cast is under the excellent direction of Miss Letitia Brace.

Student Council

The Student Council had a busy year in 1940-41. Activities sponsored by this representative group of students included the homecoming events, torchlight parades, the Peanut-Bowl classic, and after-school student dances.

A delegation of ten members was sent to the South-Central League Student Council convention in Pueblo in the fall. The spring meeting of this association of councils was held in Trinidad on April 26. The theme of the convention was "The Role of the High School in National Defense."

and

Directed by Mr. Earl Powell, the Trinidad High School Band again this year participated in pep assemblies, maneuvered on the football field and in the downtown district, led by clever drum majors and twirling majorettes, and performed in concert appearances for the public.

Inaugurating a campaign to raise money for new band uniforms, the Band Parents' Association presented "Swallow," the magician, and sponsored the film, "Land of Liberty," at the West Theater.

Climaxing a successful year, the band competed for honors with other high school bands at the annual music festival at Pueblo.

The Chorus, under the direction of Mrs. Mona G. Tyer, has had a full and most interesting calendar. Of great interest were the musical programs presented in assembly for teachers and students. Several concerts were presented during the school year which were largely attended by the general public.

The very colorful and interesting Christmas concert won high praise. For the past two years the Trinidad and Raton School choruses have had exchange programs, and this year, as formerly, these events proved most interesting and successful.

Orchestra

The T. H. S. Orchestra has been steadily progressing for many years; this year with concert and other public appearances, the members have enjoyed a very busy and successful season.

Early in the year a public concert was presented, and in December the orchestra joined the chorus in a Christmas concert. It supplied incidental music for the junior play, the career conference, and the senior play during the latter part of the year.

A new activity in Trinidad High School this year is the Girls' Choir, sponsored by Mrs. Mona Tyer. The programs given throughout the year have shown that this newly organized band of singers is rapidly taking its place among the worth-while extra-curricular activities of the school. The choir appeared in the Christmas concert, the Raton program, and the Pueblo-Trinidad spring festival.

Girls' Choir

The year of 1940-41 was a successful one for the Hi-Y club of Trinidad. The outstanding event was the Older Boys' Conference held in Denver. Another delightful occasion was the Father-Mother-Son banquet in April, the success of which was largely due to the generous efforts of Mrs. Whitney.

The induction services were outstanding. For the first time since the club was organized, a part of this service was made public.

Moving picture programs furnished entertainment throughout the year, one such program being offered the entire student body in general assembly.

Junior Prom

Maytime in all its glory was beautifully portrayed in the high school gymnasium one lovely evening in May, 1941, by some very clever juniors under the direction of Miss Horn, class sponsor, and Jim Browning, Prom committee chairman.

Huge May baskets filled to the brim with colorful spring flowers decorated the four corners, making a very lovely scene.

The Prom this year was an event that will long be remembered by both juniors and seniors.

When the Future Homemakers' Club was organized in Colorado last year, Trinidad High was among those schools that organized units. This club is made up of those girls who are interested in the art of homemaking, and is under the leadership of Miss Ruth Davis. The purpose of the organization is to develop qualities for leadership among the members and to encourage interest in all phases of home improvement.

F. H. C.

Junior Play

For excellent entertainment the junior play was most outstanding. The large cast of twenty-four members under the direction of Miss Brace cleverly depicted the life of typical high-school students and teachers in the play, "What A Life," a light comedy presented to students and the general public in the high school auditorium on November 29, 1940.

For several years the Trinidad High School chapter of Girl Reserves was an important organization, and after temporary inactivity during last year, has been reorganized under the sponsorship of Mrs. Elsie Dunkel. During the spring months the girls have enjoyed an interesting social calendar.

Girl Reserves

Debate

Trinidad High in 1941 made itself well known in debating circles throughout the state. The first team, composed of Walter Heap, John Abrums, Jack Duren, and Bob Tatum, participated in forty-six inter-scholastic debates.

On the question, "Resolved: That the Powers of the Federal Government Should Be Increased," Trinidad representatives debated with seventeen schools. Teams were entered in six meets in different parts of the state. The high lights of the year included a district meet at Colorado Springs and a three-day meet at Boulder. Trinidad reached the semi-finals on the former occasion and received a rating of excellent at the state meet.

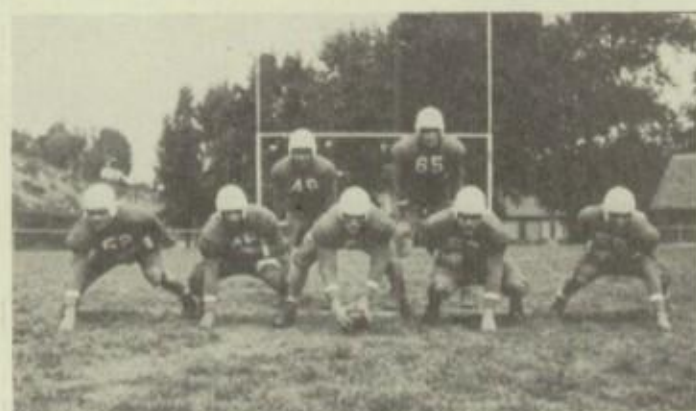

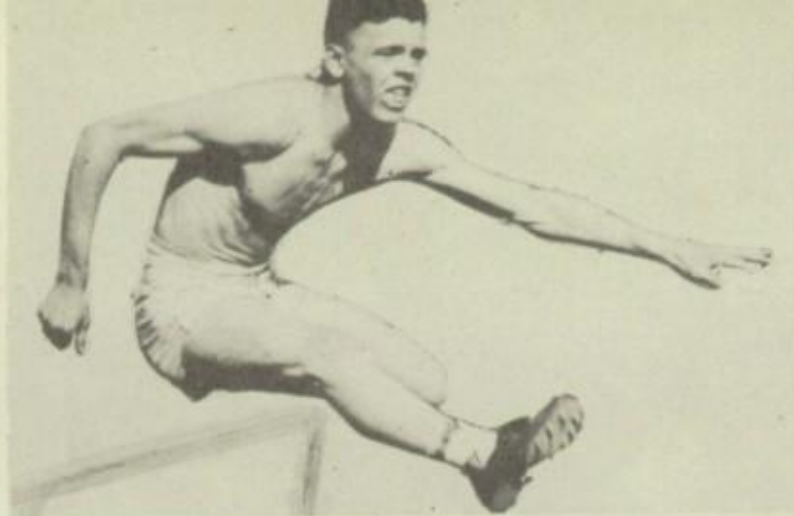

Student Announcers

These boys, Jack Duren and Bob Tatum, were announcers at all athletic events this year.

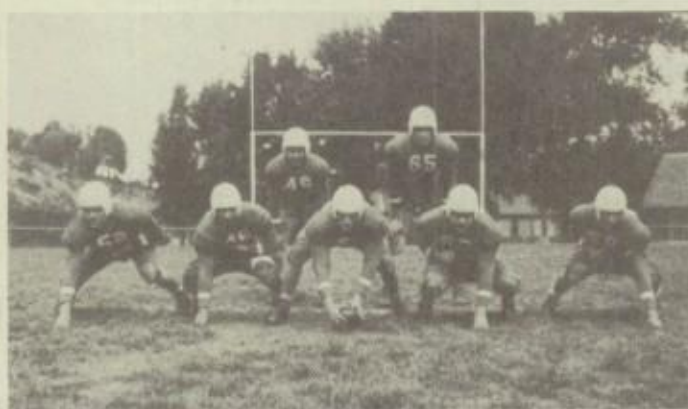

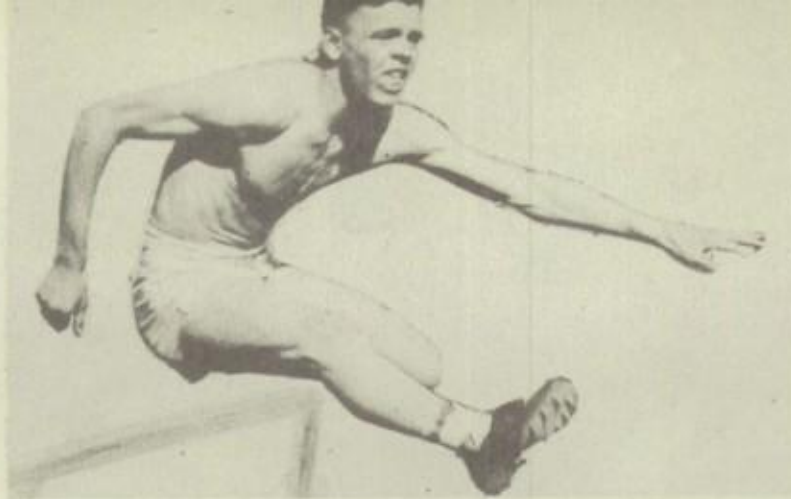

Sports

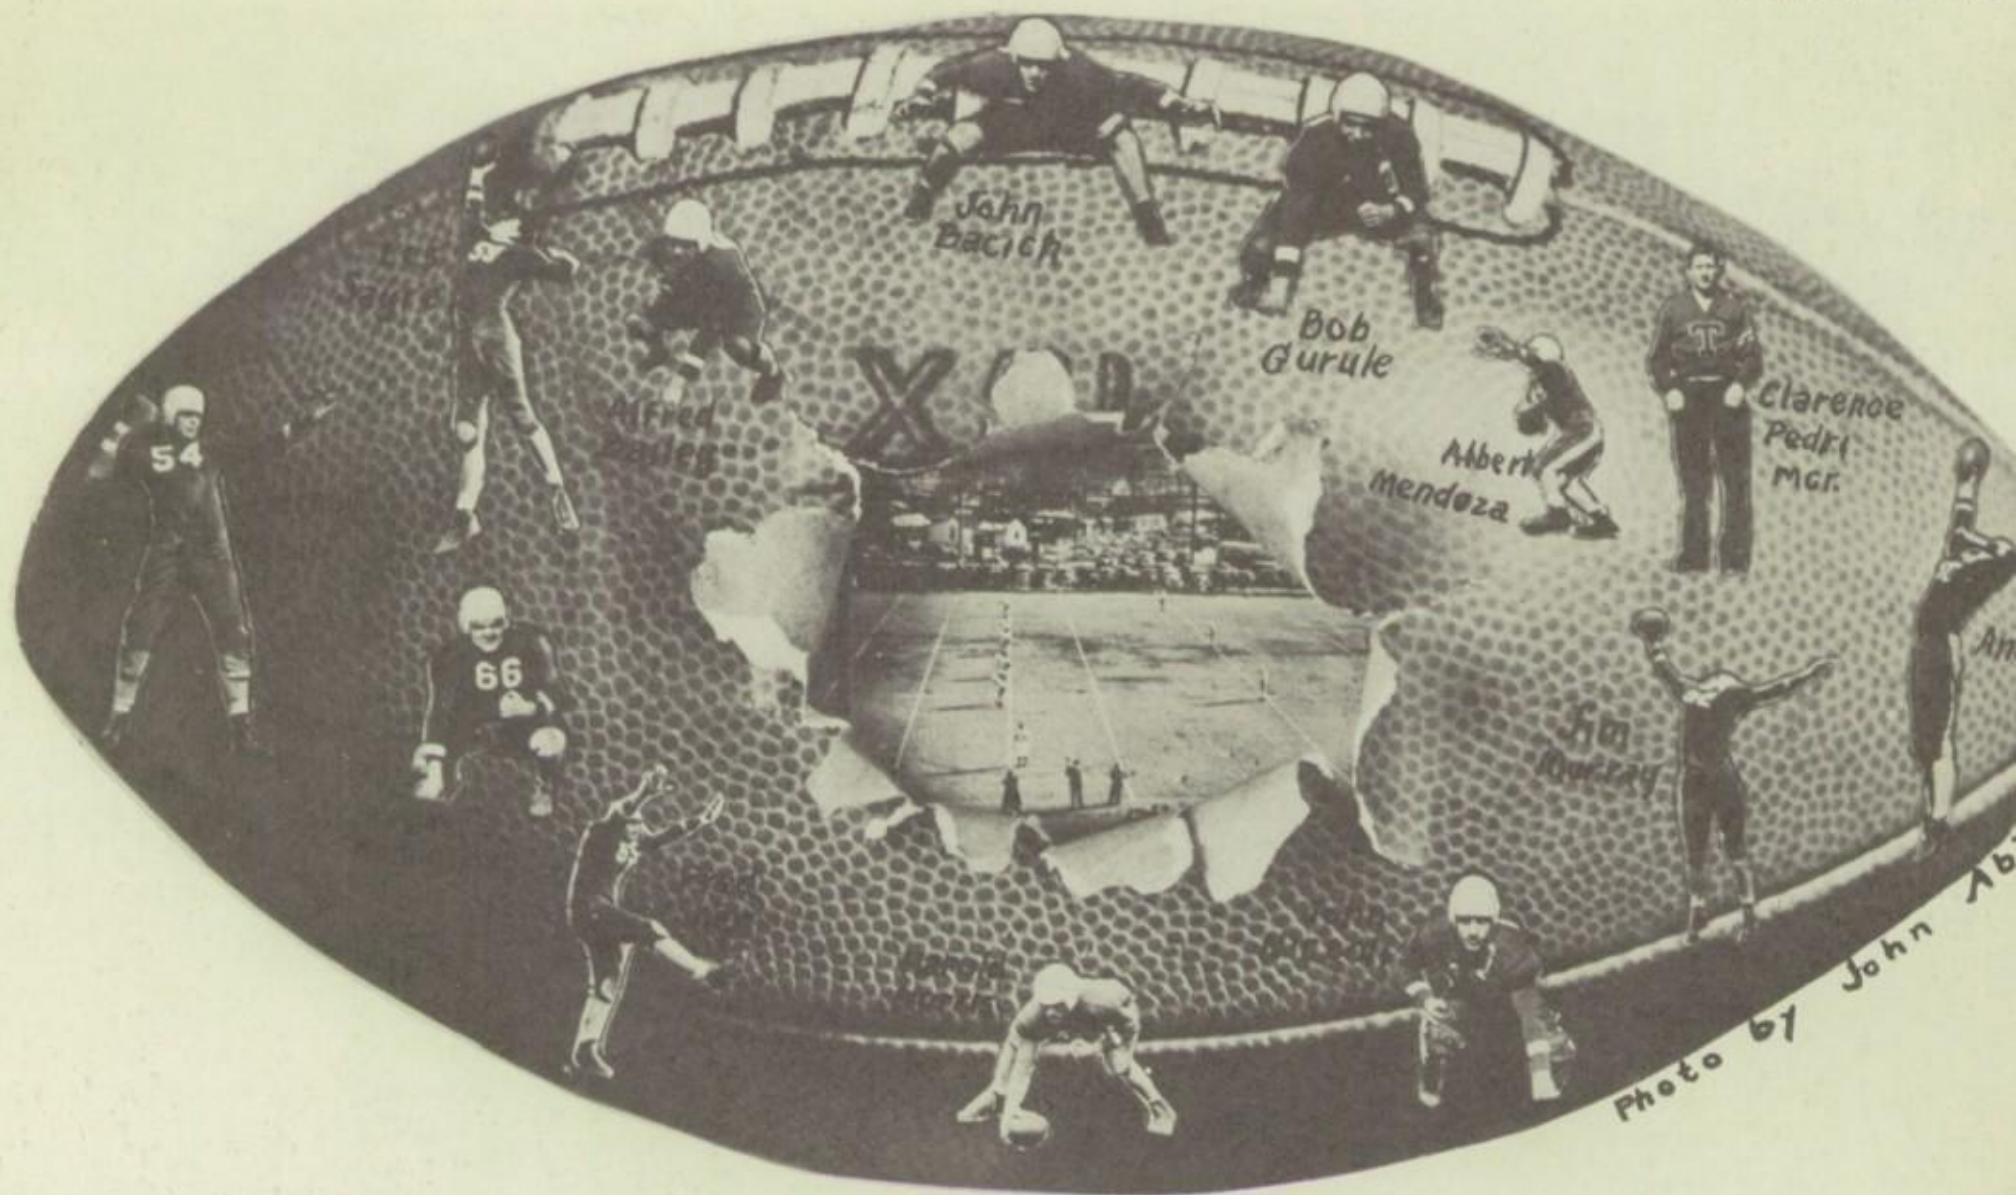

Sports

Under the tutelage of Coach Jack Walton the 1941 Trinidad Hi football team enjoyed a more than successful year.

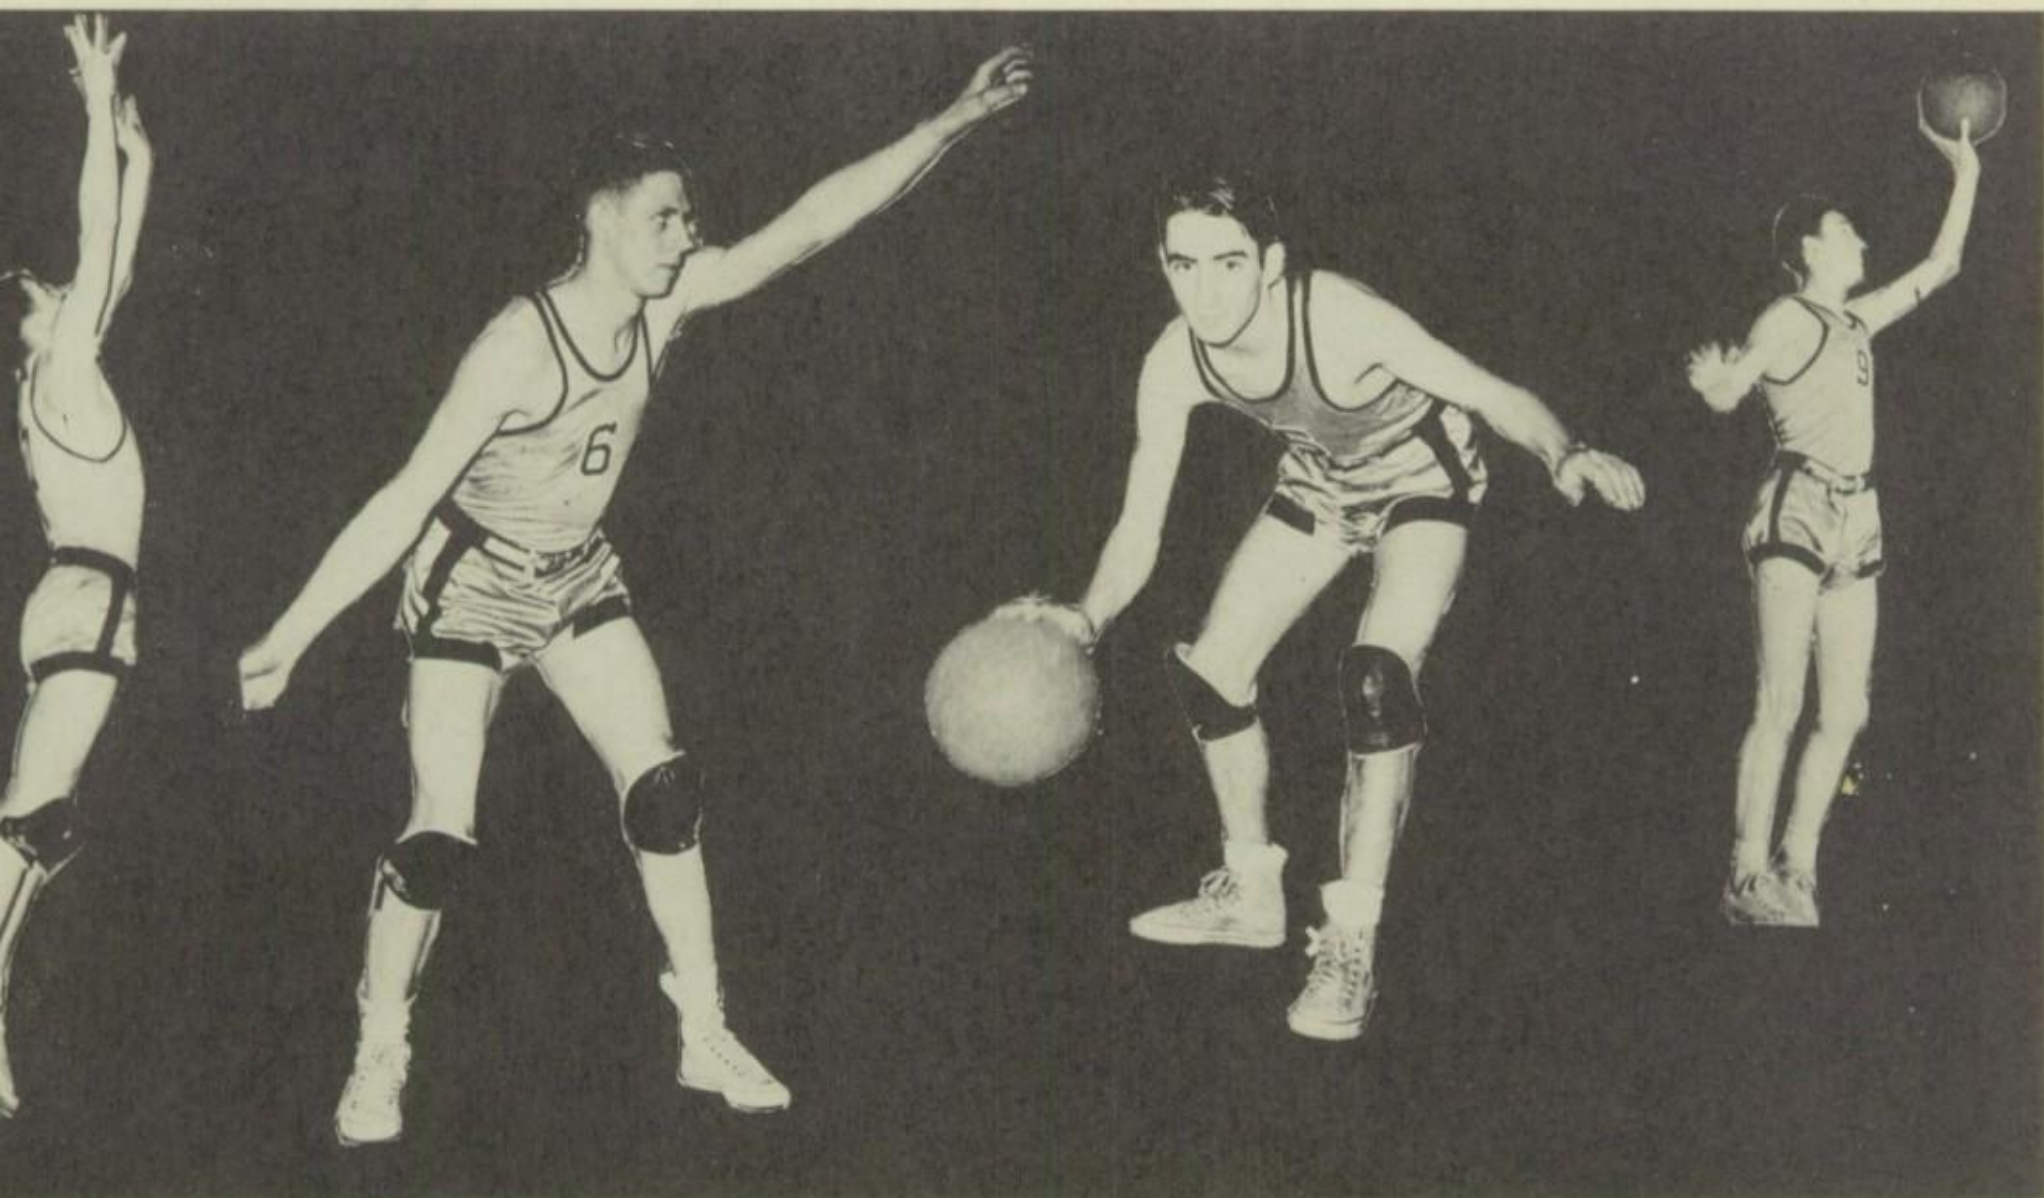

Led by nine senior lettermen, the Miners won eight games, lost one, tied one, and scored 227 points to their opponents' 44.

The most outstanding victory of the year was the defeat of the Rebels, a well-coached team from South Denver. The Miners were outweighed twenty pounds to the man, but they turned their larger and very worthy foes back to gain a well-earned victory, 14-7.

The season reached its climax on Thanksgiving Day, when the Miners played Pueblo Centennial for the conference championship. The Miners fought gamely, but were unable to eke out a victory. Although they were defeated 13-7, the game marked the end of one of the best seasons in the football history of Trinidad High School.

Basketball

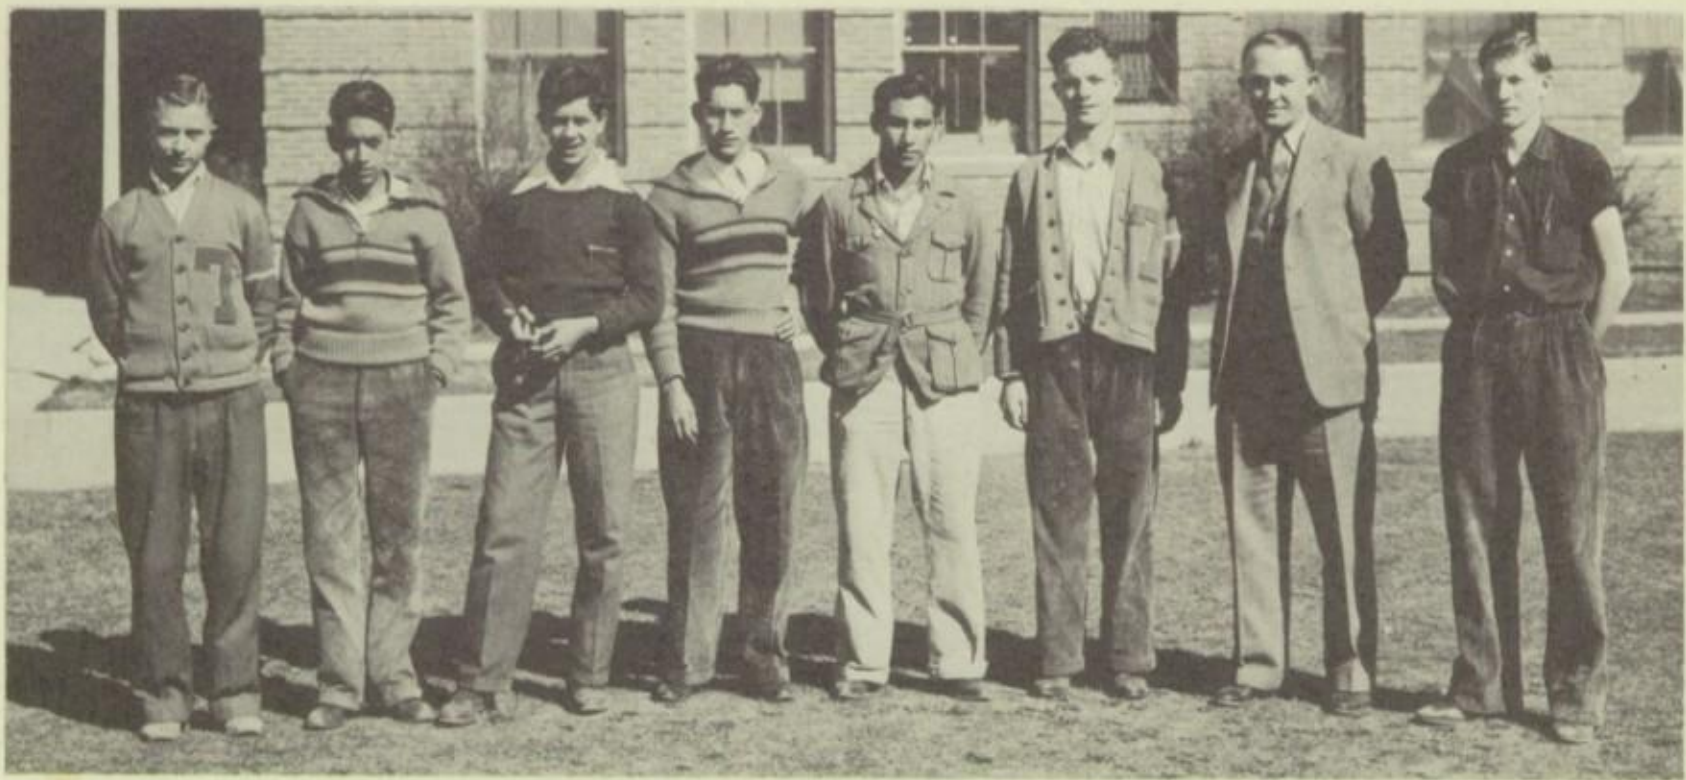

The 1941 basketball season was filled with surprises. In the opening game of the season the Miners scored the first upset by defeating the Wildcats of Pueblo Central, a team picked to win the league championship. The next upset occurred when the team beat the Canon City Tigers, who won second place in the league.

In league play the Miners won five out of twelve games to tie with Centennial for fourth place.

1941 lettermen included four seniors: Anderson, Bodwell, Sayre, and Sena; and four promising underclassmen: Bennett, Cassa, Richardi, and Sayed.

Competing against other South Central League teams, the 1940 Miner Cross Country team won individual first and fifth places, to tie with Colorado Springs for second in team honors. Ernest Martinez won first place in the gruelling two-mile event.

The 1941 track team is composed of veterans who performed excellently in every meet. The team took part in the Pueblo Invitational, the Trinidad Junior College Invitational, the Conference Meet, and the State Meet. The senior veterans are Fred Shew and Al Bailey in the weights; Jim Murray, Paul Nelson, and Bob Gurule in the low hurdles; Jim Murray and Paul Nelson in the high hurdles; and Nelson in the high jump. Fred Shew, Jim Murray, Paul Nelson, and John Niccoli have lettered three times; Bob Gurule has lettered twice; Alfred Bailey, once. All in all, these athletes made up a very successful team.

Seniors vs Faculty

That annually recurrent day of open hostility between the seniors and the teachers of Trinidad High School, the day of the Senior-Faculty basketball game, was very gratifying to the seniors. For the first time in the four-year history of this "Peanut Bowl" classic, the seniors won. The class of '41 will go down on the pages of history and on the "Old Shaving Mug" trophy as the first class to win the event.

Wrestling

Although wrestling has not been officially recognized among the minor sports of T. H. S., the mat-men have done much this year to promote interest in this phase of the athletic program, and it will probably soon take its place among the popular activities of T. H. S. Coached by Mr. Fred Stone, four wrestlers, Harold Norris, Bob Gurule, and Alfred Bailey, seniors, and Eugene Alpert, a junior, formed the team.

The newly formed ski team, led by Dick McLaren, a transfer from Grand Lake, made a fine showing at the State High School Ski Meet. Two other contestants, Jack and Frank Mason, assisted in winning fourth place for the team, and McLaren gained fame by winning the individual skier's championship trophy. Mr. Fred Stone, the coach, hopes skiing will become a bigger and better sport in T. H. S. and that next year members of the fairer sex will participate in the exciting program.

Tennis

The 1941 tennis team, including one member of the 1940 state championship team and several other good players, had a very successful season under the skillful coaching of "Swede" Palmquist. Led by Lester Sena, a veteran of three years and one of last year's champions, the Trinidad Hi racquet wielders won high standing in all of their matches.

The Trinidad High School golf squad, under the direction of Jack Walton, has again completed a very successful year.

Competing in two conference meets in Pueblo, one state meet on the Broadmoor course in Colorado Springs, and one on their home course, they upheld the high prestige won by former Trinidad High School golfers.

Girl's Athletic Association *Ban Essex*

The G. A. A. has very successfully completed its fifth year of activity. Intra-mural tournaments in volleyball, basketball, baseball, darts, deck tennis, and tennis were held. Inter-class tournaments were added this year to the list of activities. For the second time Trinidad won the pennant for the state basketball-shooting contest.

Officers for the past year included Phyllis Niccoli, president; Marjorie McIntyre, vice-president; Eleanor Phelps, secretary; Medora Ryburn, librarian.
